[HP Designjet T1100ps 44-in Printer](#) Q6688A [Compare](#)

### Suggested Replacement

[Suggested Replacement](#)

A network-ready technical printing solution for medium to large departments.

Network-ready department printer for CAD and technical output; prints fast, accurate line drawings, complex 3-D renderings and maps.

Precise color and monochrome line drawings and text, with resolution up to 1200 dpi and lines as thin as 0.003 inch; printer, ink and media are designed together for 0.2 percent accuracy over the length of the page.

300-foot input rolls and modular ink system combine for unattended or overnight printing with minimal user intervention.

Built-in smart chips in HP 80 Ink Supplies identify low ink levels and worn printheads; high-capacity HP 80 Ink Cartridges and long-life HP 80 Printheads mean fewer supplies changes, unattended printing and low cost of ownership.

## Compatible Operating Systems

### Standard Desktop

Windows 9x	*
Windows NT	*
Windows 2000	*
Windows Me	*
Windows XP	*
Windows Server 2003	*
