High-performance, high-volume, 11 x 17-inch black and white network printer with automatic two-sided printing (options vary by model).

Advanced, high-capacity paper-handling and finishing features that streamline and enhance document production in large work groups or departments. Choose from stapler/stacker, 8-bin mailbox and multifunction finisher (each option also requires purchase of 2,000-sheet input tray) for increased productivity.

Save money and time with increased productivity. Print batch documents in a centralized location, reducing costs and distribution time. Maximize your resources with proactive, remote printer management, HP Smart Printing (using genuine HP supplies ensures availability of all HP printing features) and HP service and support.

Print black and white documents fast and reliably at up to 50 ppm. Minimize user intervention with high-capacity input and output options, with HP's unsurpassed printer network capabilities and HP Smart Printing—all for exceptional performance.
